Must Love Dogs meets My Not So Perfect Life in this hilarious romantic comedy about a dog trainer whoâ€™s a master at managing her four-legged friends, but when it comes to her love life...letâ€™s just say she still has a lot to learn.

Cora Bellamy is a woman who thrives on organization. Sheâ€™s successfully run her own dog training business for years, perfectly content with her beloved rescue pitbull as the main man in her life. Sheâ€™s given everything to her business, and her lack of social life (or slobber-free clothes) has been completely worth it.

But all that changes when she meets Charlie Gill, the hottest client sheâ€™s ever had. The only problem? Charlieâ€™s taken. Luckily, Cora has a new friendâ€”the sweet, lovably geeky Eli Crawford. More loyal than a retriever, heâ€™s always there to help Cora with her problems, including her love life. Thatâ€™s why sheâ€™s shocked to realize that even as things start heating up with Charlie, there might just be a more-than-friends spark between her and Eli, too.

As Coraâ€™s life gets more tangled up than a dogwalkerâ€™s leashesâ€”and as she prepares to audition for a dog-training TV show that may irrevocably change her entire lifeâ€”she has to figure things out before it all goes straight to the dogs.

Charming, witty, and warm-hearted, Life on the Leash inspires you to cheer for every underdog looking for love.

Life on the Line (2015) - IMDb LIFE ON THE LINE is a riveting action thriller and family drama centered on Beau (John Travolta), his beloved niece Bailey (Kate Bosworth) and the hardworking men who risk their lives to work "on the line" and keep the electric grid running. Life on the Line (2016) - Rotten Tomatoes LIFE ON THE LINE is a riveting action thriller and family drama centered on Beau (John Travolta), his beloved niece Bailey (Kate Bosworth) and the hardworking men who risk their lives to work "on the line" and keep the electric grid running. Life on the Line "Frank Pavone is a man who is passionately committed to the defense of preborn children, and to the sanctity of human life from conception to the grave. I have found him to be an articulate and intelligent promoter of this cause internationally.

Life - Wikipedia Artificial life is a computer simulation or man-made reconstruction of any aspect of life, which is often used to examine systems related to natural life. Death is the permanent termination of all biological functions which sustain an organism, and as such, is the end of its life. Life - NBC.com "Life" is a Universal Media Studios production. Creator Rand Ravich is executive producer and writer; Shariat is also executive producer and writer, and Dan Sackheim serves as executive producer and director on the series. Life on the Line - Official Trailer - 2016 Action Movie HD Life on the Line A crew of men who do the high-wire work of fixing the electrical grid are hit by a sudden deadly storm. Director: David Hackl.
